

## Mandate Reporter Training Acknowledgement Form

\_\_\_\_ I acknowledge that pursuant to Georgia law, I am a mandated reporter of suspected child abuse.

\_\_\_\_ I acknowledge that I received mandated reporter training and have reviewed Uncle Remus Regional Library System's ("URRLS") mandated reporter policy and procedures. I agree to abide by URRLS' mandated reporter policy and procedures.

\_\_\_\_ I acknowledge that I am to document and report only what I observe or know. I am not to investigate, through the use of patron records or other means. I understand that I am not to approach a parent, caregiver, or child in order to obtain more information.

\_\_\_\_ I acknowledge that my Library Manager is the designated reporter for my location and that all information and documentation must be reported immediately. If my Library Manager is unavailable, I will report immediately to the Administrative Services Librarian. If both the Library Manager and Administrative Services Librarian is unavailable, I will report immediately to the Library Director. I understand that duplicate reporting to CPS or DFCS may cause delay and/or confusion.

\_\_\_\_ I understand that Georgia law allows for the use of physical forms of discipline, also known as corporal punishment, and does not consider such behavior child abuse. I understand that if I have questions about this type of behavior, I should discuss it with my Library Manager, the Administrative Services Librarian, or the Library Director.

\_\_\_\_ I understand that if I have any questions that were not addressed in training, or if I encounter any problems, I can contact my Library Manager, the Administrative Services Librarian or the Library Director.
