

**REQUEST FOR REMOVAL OF FILTER SOFTWARE ON INTERNET
ACCESSIBLE COMPUTERS**

*Library patrons eighteen years of age and older, **upon** presentation of proper photo identification and a current PINES library card, may request filter software be turned off library Internet access computers.*

Note: Filters shall be removed from only those computers approved by library staff.

I am requesting that the Internet filter be turned off while I access the Internet today (date) _____ from (time) _____ until I leave the computer station. This request is for computer number _____.

I understand that accessing (on an unfiltered computer) web sites deemed graphically obscene by the Member Library staff shall result in the immediate revocation of Internet access for no less than six months.

I further understand that when minors are present in the library facility, accessing web sites deemed graphically obscene by Member Library staff shall also result in revocation of filter-less Internet access privileges thereafter in all facilities of the Uncle Remus Regional Library System.
