

THE BR'ER FACTS

APRIL
2008

Uncle Remus Regional Library System

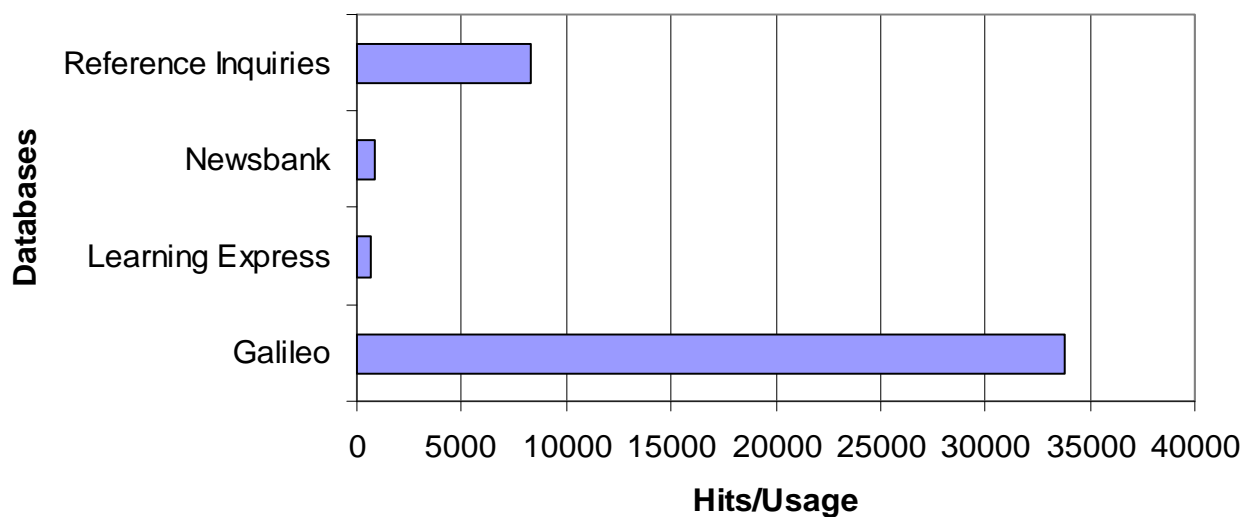

Serving Greene, Hancock, Jasper, Morgan,
Putnam and Walton Counties

The "Basic Computers" class took place at the Sparta-Hancock County Library thanks to support from the AT&T Exceleator competitive technology grant program. The grant provided ample laptops so that more people in the community could check out these laptops for use in the library. The additional laptops also made it possible for library staff to schedule training classes in the meeting room of the Hancock County Library. Additional classes were scheduled due to interest and demand.
